THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT [DR. (SHRIMATI) RITA VERMA]: (a) to (g) According to the information furnished by the University Grants Commission, the UGC had constituted Curriculum Development Committees (CDCs) to frame the Model Curricula at under-graduate and post-graduate level in various disciplines of 32 subjects of Science, Humanities and Social Sciences. These Committees consisted of various subject experts, academicians and university teachers, etc. This was done with a view to facilitate the universities to update their existing curricula by providing them inputs to take care of fast paced development in the knowledge of the subject concerned. The UGC has since forwarded the model curriculum to universities for their guidance. Universities have the option to adopt the model curricula either in *toto* or adopt it after making necessary amendments or adopt it after necessary deletion/ addition or adopt it after making any change whatsoever, which the university may consider necessary. It is thus clear that intention of UGC is nof to enforce uniform curriculum throughout the universities.There is no question of infringement in the freedom of pluralistic society and federal structure.
